Amenity Name: Classic Kitchen

Date: 02-03-2020

A view from a window looking out onto a parking lot. In the foreground, a black metal railing with vertical bars is visible. A blue crescent moon decoration is attached to the railing. The parking lot below contains several cars parked in marked spaces. In the background, there are bare trees and a multi-story building. The ground in the immediate foreground appears to be covered in a light layer of snow or frost.
