Starting January 5, 2025, tolls on the Northeast Extension and from the Delaware River Bridge to Morgantown (Exit 298) will be assessed at each toll point. As a result, you may see smaller, individual charges on your invoice that together reflect the total cost of your trip. Tolls on the section west of Morgantown (Exit 298) to the Ohio line, as well as on the western extensions, will continue to appear on your invoice as they have in the past. For details on vehicle classification changes and toll calculations, visit www.paturnpike.com/toll-calculator.
