NOTICE OF TOLL DUE (NOTD)

Failure to pay the Video Toll, request a transfer of liability in the manner and time prescribed, or the late payment of the Video Toll, will result in a:

- Citation and a Civil Penalty, in the amount of \$25.00, on each unpaid toll transaction;
- Continued failure to pay may lead to refusal or suspension of your motor vehicle registration; and
- Referral to the Maryland Central Collection Unit (CCU).

Note: Payment of the video toll, whether timely or late, is an admission of liability of the Video Toll transaction.

Request for Transfer of Liability Information

If you believe you have received this NOTD in error or somebody else may be responsible, legal defenses are available to you under Transportation Article, § 21-1414, Annotated Code of Maryland; additional documentation must be provided to the Maryland Transportation Authority (MDTA) at this time if you believe one of these defenses applies. To request a Transfer of Liability, you must select the defense(s) on the remittance coupon and provide the supporting documentation as outlined.

- 1. Driver is Not Owner** - If, at any time of the Video Toll transaction, the vehicle is operated by a person other than the registered owner without the express or implied consent of the registered owner, and if the registered owner by the NOTD Payment Due Date provides the MDTA or its duly authorized agent with a notarized admission by the person accepting liability which shall include that person's name, address and the driver's license identification number or Federal employer identification number, then the person accepting liability shall be liable and shall be sent an NOTD.
 - You must include a notarized admission by the person accepting liability, including the person's name, address and driver's license identification number or Federal employer identification number.
- 2. Leased Vehicle** - If the registered owner is a lessor of vehicles and at the time of the Video Toll transaction the vehicle involved was in the possession of a lessee, and the lessor by the NOTD Payment Due Date provides the MDTA or its duly authorized agent with a copy of the lease agreement or other documentation acceptable to the MDTA identifying the lessee, including the person's name, address and driver's license identification number or Federal employer identification number, then the lessee shall be liable under this section and shall be sent an NOTD.
 - You must include the signed rental/lease agreement for the vehicle or other documentation acceptable to the MDTA.
- 3. Dealer/Transporter Plate** - If the vehicle involved in a Video Toll transaction is operated using a dealer or transporter registration plate, and at the time of the video Toll Transaction the vehicle was under the custody and control of a person other than the owner of the dealer or transporter registration plate, and if the owner of the dealer or transporter registration plate by the NOTD Payment Due Date provides to the MDTA or its duly authorized agent a copy of the contractual agreement or other documentation acceptable to the MDTA identifying the person, including that person's name, address and driver's license identification number, who had custody and control over the vehicle at the time of the video Toll Transaction, then that person and not the owner of the dealer or transporter registration plate shall be liable under this section and shall be sent an NOTD.
 - You must include a copy of the contractual agreement or other documentation acceptable to MDTA identifying the person's name, address, and driver's license identification number or Federal employer identification number, who had custody and control over the vehicle at the time of the Video Toll transaction.
- 4. Stolen** - If a vehicle or registration plate number is reported to a law enforcement agency as stolen at the time of the Video Toll transaction, and the registered owner by the NOTD Payment Due Date provides to the MDTA or its duly authorized agent a copy of the police report substantiating that the vehicle was stolen at the time of the toll transaction, then the registered owner of the vehicle is not liable under this section.
 - You must include a police report for the stolen vehicle.

MDTA must receive your request to transfer liability by the Payment Due Date on this NOTD. If your Request for Transfer of Liability is denied and the MDTA sends the denial notification after the Payment Due Date, you will have 10 days from the mailing date on the denial notification to pay the Video Toll. If MDTA issues a Citation, you will have the opportunity to pay the Video Toll and Civil Penalty or contest the Citation at a trial you request in the Maryland District Court.
