*Should bundled minutes be provided, the listed rates are utilized for any overage in usage. Unless otherwise indicated, International Rates for both outbound and inbound calling are standard and are available via the BLS website at <http://linesystems.com/inserts/international-calling/> or via your BLS account representative. Rates are applicable for all locations, unless otherwise noted in the Rate Schedule. Directory Assistance is available at \$2.75/minute.*

By signing this Agreement, I hereby authorize Block Line Systems to provide the Services listed herein and on any/all attachments. I agree to pay all charges incurred on my BLS account, and I expressly agree to and accept: (1) the terms and requirement of any applicable third party end-user license agreements; and (2) such additional terms and conditions found on these links as they may modified in the future:

**Terms and Conditions:** [https://www.telesystem.us/media/2217/tc-dedicated\\_bls.pdf](https://www.telesystem.us/media/2217/tc-dedicated_bls.pdf)

## Dedicated Services | Terms and Conditions

This is a condensed version of our Terms and Conditions. The full version can be found:

<https://linesystems.com/inserts/TC-Dedicated.pdf>

### 1. Rates and Service

Block Line Systems (BLS) shall provide the Customer with the services indicated on the attached service agreement. During the term of these Services, BLS will comply with all applicable rules and regulations filed with appropriate federal and state regulatory agencies which govern the tariffs associated with the services. In the event of a conflict between this agreement and such tariffs, the tariffs shall control. If any portion of this agreement shall at any time violate any law, the same shall not affect the remainder of this agreement, which shall be construed as if such portion had not been contained herein. Any additional services as required by the Customer shall become part of this agreement and subject to the same terms and conditions. Customer agrees to cooperate with BLS's representatives by allowing access to premises for installation of any equipment necessary to accomplish proper operation of the services. Customer acknowledges that BLS is subject to any and all regulated charges and fees, which are approved by state, federal, or any other applicable agencies, and that customer charges are subject to these changes. BLS reserves the right to alter Customer pricing with seven (7) days written notice in the event that there is an increase in cost to provide any service referenced in this Agreement

### 2. Service Term

This agreement shall become effective upon complete execution by the parties. The term set forth on the service agreement shall commence on the Service Activation Date and shall automatically renew for successive term(s) unless cancelled prior to the expiration of a term. Because time is of the essence, timely notice is a necessity. Customer must inform BLS of its intention to cancel said service by certified mail, return receipt requested at least 60 days prior to the expiration of the then current term. In the event of the early termination of this agreement by customer or termination by BLS for material breach, Customer shall pay BLS all non-recurring charges plus all recurring charges and the average monthly usage charges projected through the end of the then current term. In the event of a customer caused delay in the Service Activation Date, BLS reserves the right to apply charges, and customer agrees to pay such charges, prior to activation. If the customer cancels service prior to the Service Activation Date, BLS shall bill customer 50% of the contractual MRCs through the life of the term, plus any incremental NRCs charged to BLS for service implementation. Subject to aforementioned, the customer may elect to opt into a month to month term; BLS reserves the right to increase the recurring and usage charges effective the date the month to month term begins.

### 3. E911 Service and Acknowledgement Statement

BLS's dedicated service supports E911 in much the same way as traditional circuit-based local telephone service with certain exceptions. This notification, issued pursuant to FCC Order, is to inform BLS's dedicated customers of limitation in the E911 service associated with their dedicated services. Under certain circumstances, E911 service may not be available through your dedicated service. For example, E911 service may not be available in the event you relocate and use your VoIP compatible equipment at a location other than your premise (e.g. soft phone or remote HBPX). E911 will also not be available through your dedicated service if (i) your VoIP compatible equipment fails, (ii) your broadband connection fails, (iii) you lose electrical power to your VoIP compatible equipment, or (iv) your VoIP broadband or ISP service is suspended or terminated. Finally, E911 service may not be available through your dedicated service (i) if you use a telephone number with your VoIP service which is not native to the geographic area in which you are located or (ii) during the period in which the physical location at which you registered to use your VoIP service is being uploaded into pertinent databases. The FCC mandates that BLS obtain an affirmative acknowledgement that its dedicated customers have read and understand this notification. *Please acknowledge you have read this notification and understand the limitations associated with your VoIP services by signing this agreement. By signing this agreement you also acknowledge you are authorized to represent and make decisions regarding the telecommunication services provided to this account.*

BLS

#### **4. Equipment**

BLS retains all rights, title and interest in the BLS provided equipment located at your site. Customer will provide BLS access to this equipment, as needed, to ensure operation and for any required maintenance. On the day of the equipment delivery, a BLS technician will dispatch to the service location to extend the loop or BYOB connection and install the necessary hardware. The first hour of both travel and labor is covered under this agreement; any additional time will be billed at the rate of \$125/hour. Upon termination or expiration of the Service Agreement, Customer agrees to return equipment as directed by BLS or to allow BLS to remove the equipment. Failure to return the equipment within 30 days of disconnect or usage/destruction above normal wear and tear will result in a onetime charge equaling the replacement value of the equipment plus and any other costs associated with the recovery of the equipment. Furthermore, any damage or destruction to the equipment during the term of the agreement will result in a charge to the customer if it was determined by the equipment manufacturer or BLS the equipment was not defective. BLS shall not be responsible for or maintain or service any customer owned equipment. Customer provides all LAN and wiring. Any additional cost incurred to install wiring or other computer infrastructure to accommodate the new services will be responsibility of the customer.

#### **5. Local Number Portability**

Normal porting hours are Monday-Friday, 8AM-4PM. Any ports requested outside of this window can be accommodated in most cases but will be billed a one-time charge of \$150. We do not honor port requests for any voice services on Fridays unless otherwise approved by BLS management and the Customer.

#### **6. Billing and Payment Obligation**

Billing for the service component will begin on the Service Activation Date, as specified, for the specific service type. The Service Activation Date is the date: (i) Equipment is installed and tested at the Customer's locations, and (ii) IP connectivity to Provider has been established, OR (iii) 30 calendar days after the loop install is tested and accepted. Customer Premise Equipment (CPE) related costs and installation fees will be billed such that 50% will be due upon execution of this Agreement and the first invoice period to follow thereafter with the remaining 50% will be due upon CPE activation per location. Customer shall be billed for services monthly by BLS or its duly appointed billing agent, and Customer agrees to pay for services and any applicable federal, state and local taxes, regulatory surcharges and/or applicable fees associated with the services, within 25 days of the bill date. These credit terms will be provided when a routine credit check has been performed by BLS. This credit check procedure may result in a deposit or prepaid terms required by BLS. BLS may, at its discretion, change credit terms assigned. All billing disputes must be submitted in writing within 60 days of the date of the invoice on which the error or problem first appeared. Failure to comply with this timeframe requirement will result in a denied claim. The invoice shall be considered past due after 25 days of the bill date. Payment shall be remitted in U. S. funds to the current address of BLS. Interest of 1.5% (or as permitted by law) per month will be assessed on past due amounts. BLS will notify Customer by mail that the account is past due. If payment with interest has not been received within 30 days of the bill date service could be suspended and a reactivation fee will be assessed prior to reactivation of service. BLS reserves the right to charge a return check fee. Customer shall pay all collection costs including reasonable attorney's fees. All system implementation and training fees will be billed immediately following contract execution. If BLS is given an incomplete list of phone numbers or is provided with inaccurate service address information, the Customer may be subject to an additional fee.

*continued*

**7. Use of Customer Information**

In the course of providing service to Customer, BLS will obtain certain usage-related information about the type, quantity or amount of telecommunications services that Customer uses. This information is referred to as customer proprietary network information (“CPNI”) under federal law. BLS also obtains and possesses information regarding the number called or the number from which a call was placed and the time, location or duration of any calls. This information is referred to as Call Detail Records. The use of the term CPNI includes Call Detail Records. You have the right, and we have a duty, to protect the confidentiality of Customer’s CPNI. Under federal law, we may use your CPNI to provide service to you, to bill and collect for such services, to protect our property rights and as otherwise permitted or required by law. In addition, BLS may use CPNI to offer you better prices or packages of the types of services you currently receive from BLS and to market other services as well. BLS will seek your approval in accordance with FCC rules prior to using CPNI to market other services to you. BLS will not disclose CPNI to independent contractors or joint venture partners without obtaining your prior approval in accordance with FCC rules. If you obtained service from BLS with the assistance of an independent Sales Agent, you hereby consent to BLS sharing CPNI with the Sales Agent(s) so that Sales Agent may use this information in marketing additional products and services to Customer offered by BLS or its affiliates. You may withdraw this consent at any time by contacting BLS directly. Except as described above, Sales Agent will not share this information with any third parties nor use this information.

**8. Entire Agreement**

This agreement sets forth the entire understanding between the parties and supersedes all prior understandings and oral arrangements, unless there is a written modification, amendment or rider executed by both parties and signed by both parties. It is agreed and acknowledged that this agreement was complete on its face when executed and that this agreement is made and accepted on the express warranty and representation that the Customer has the authority to negotiate this agreement. The waiver by any party of any term or condition of this agreement at any time shall not be construed as a waiver of that or any other term or condition at any other time.

# Letter Of Agency

Letter of Agency |

Dear Sirs:

This authorization letter designates Block Line Systems as an agent of **Lindy Communities** for all matters pertaining to telecommunications, including but not limited to the ordering of lines. You are hereby authorized to release to Block Line Systems any and all information relative to our account(s) that they may request.

This authorization is to include the following account(s):

**Enter BTN(s) here:**

*If you do not know these numbers at this time, please write "TBD" and continue with the DocuSign process. Your provisioning account manager will work with you to complete these fields after your order is processed.*

TBD
-----

Unless otherwise instructed, all materials should be forwarded via U.S. Mail or Parcel Post to Line Systems as follows:

C/o Block Line Systems  
1645 West Chester Pike, Suite 200  
West Chester, PA 19382

Any charges associated with the preparation of requested materials should be billed directly to our account.

This agency shall remain in effect until further notice and does not preclude us from acting on our own behalf.

Thank you for your assistance and cooperation.

Sincerely,

Customer Signature:	DocuSigned by: <i>Enter Customer Brian Kroker</i>

Company Name:	Lindy Communities

## BLOCK LINE SYSTEMS ADDITIONAL TERMS AND CONDITIONS

In addition to the terms and conditions contained in the Hosted PBX Service Amendment ("Agreement") between Block Line Systems ("BLS") and Lindy Properties ("Customer") and all other schedules thereto, the following terms and conditions apply. These Additional Terms shall take precedence over any conflicting provision of the Agreement, including any conflicting provisions contained on the first page of the Agreement and/or any conflicting provisions contained in the Terms and Conditions or any other Agreement schedule, including those referenced on the BLS website.

**Tariffs Conflict.** In the event of conflict between this agreement and such tariffs, lower amount shall control.

**Automatic Renewal and Early Termination.** After expiration of the Term, the Agreement shall continue on a month to month basis with the Services priced at BLS' then current monthly rates until canceled by either Party upon sixty (60) days written notice to the other Party. Customer must inform BLS of its intent to cancel said service by certified mail, return receipt requested or overnight courier at least 30 days prior to the expiration of the then current term. In the event of early termination of this Agreement by customer or termination by BLS for material breach, after giving Customer notice of the breach and a reasonable opportunity to cure, Customer shall pay BLS 50% of all recurring charges projected through the end of the then current term. If BLS is in breach of this Agreement, Customer shall have the right to immediately terminate this Agreement and not owe any money to BLS.

**Credit Check.** BLS will not require a deposit or prepaid terms as a result of a credit check. BLS will not change credit terms assigned.

**Interest.** BLS will not charge an interest fee on past due amounts. BLS reserves the right to charge a reasonable check fee. Customer will not be required to pay all collection costs including reasonable attorney's fees.

**Quality of Service.** The clause "No quality of service commitment is express or implied" will not apply to this Agreement for the Customer.

**CPNI.** BLS will not share CPNI with any external Sales Agent.

**Limitation of Liability.** The liability of the Company for damages arising out of the furnishing of its Services, including but not limited to mistakes, omissions, interruptions, delays or errors, or other defects, representations, or use of these services or arising out of the failure to furnish the service, whether caused by acts or omission, shall be limited to the extension of allowances for interruption. Allowances are limited to a proration of the monthly service charge for the affected services. Liability shall not exceed one month's charge for affected service. The extension of such allowances for interruption shall be the sole remedy of the Customer and the sole liability of the company. The Company will not be liable for any direct, indirect, incidental, special, consequential, exemplary or punitive damages to Customer as a result of any Company service, equipment or facilities, or the acts or omissions or negligence of the Company's employees or agents.

**Governing Law.** BLS and Customer agree to submit to the personal and exclusive jurisdiction of the courts within the Commonwealth of Pennsylvania, to the extent possible in Montgomery County, and waive any objection as to venue or inconvenient forum. Customer agrees that regardless of any statute or law to the contrary, any claim or cause of action arising out of or related to use of the service or this Agreement must be filed within two (2) years after such claim or cause of action arose or be forever barred.

**Force Majeure.** Neither party shall not be liable for any delay in performance directly or indirectly caused by or resulting from acts of God, fire, flood, accident, riot, war, government intervention, embargoes, strikes, labor difficulties, equipment failure, late delivery by suppliers, or other difficulties BLS as may occur in spite of BLS' best efforts.

**Copper to Fiber Migration.** When completing a POTS copper to fiber migration, if Verizon does not run the new cabling to be out of vision of the residents and is unable to then relocate the cable to be out of site, the Customer will have the option to disconnect that POTS line without penalty and find an alternative delivery method.

**Copper Lines Alternative.** If Verizon is no longer willing to provide copper POTS lines to the Customer and gives no reasonable alternative, or similar type of service, the Customer may disconnect the POTS lines without penalty.
