3.1 Payment. Managing Agent will pay for the performance of the Work the amount set forth in **Exhibit "A"** attached hereto, and said amount to include all applicable taxes, insurance, supervision, overhead and profit, 30 days in arrears.

In the event of any inconsistency between this Section and **Exhibit "A"**, this Section 3 will control. In addition, in the event of any inconsistency between this Section and the remainder of this Agreement, this Section 3 will control.

Managing Agent will not be required to make any payment to or at the request of Contractor until Managing Agent confirms that the Work performed by Contractor is complete and acceptable to Managing Agent. Payments made hereunder will not be deemed to be an admission or approval by Managing Agent of the sufficiency or adequacy of the Work.

- 32 **Invoicing.** See Exhibit "A" for particular instructions on invoicing.

SECTION 4. TERM AND TERMINATION

4.1 **Term.** Unless otherwise canceled pursuant to the terms of this Agreement, the term of this Agreement will commence as of the Commencement Date shown on the first page of this Agreement. This agreement will renew on a month to month basis unless terminated by either party with 30 day written notice.

4.2 **Termination**

- A. **Termination with Notice to Cure.** In the event Contractor fails to perform any obligation in this Agreement in a manner satisfactory to Managing Agent, Managing Agent may, by written notice to Contractor, specify in detail the nature of the failure to perform and provide thirty (30) days from receipt of written notice for the Contractor to cure the failure. If the failure remains uncured, in the sole opinion of Managing Agent, at the end of the thirty (30) days a 30-day notice to terminate the Agreement takes effect.
- B. **Termination with or without Cause.** With or without cause, Managing Agent may, by written notice to Contractor, terminate this Agreement upon thirty (30) days written notice for any reason or no reason including, without limitation, the sale of the property by Owner.
- C. **Termination with Cause.** In the event Contractor fails to perform any requirement, term or specification under this Agreement in a manner satisfactory to Managing Agent, then Managing Agent may, without prejudice to any other remedy it may have, upon 5 (five) days written notice to Contractor, terminate this Agreement. Without limiting the foregoing, Managing Agent may, without prejudice to any other rights or remedies of Managing Agent at law, in equity, or under this Agreement, and without any payment to Contractor, complete the Work by whatever means or method Managing Agent may deem expedient or appropriate, and all such costs will be borne by Contractor. Managing Agent may offset such amounts against payments which may otherwise be due Contractor under this Agreement.

By way of description and not by limitation, the following provides examples of Contractor's failure to perform that may trigger a notice of Termination with Cause:

- I. Suffer bankruptcy. For purposes of this Agreement, "bankruptcy" will be deemed to occur when Contractor makes an assignment for

the benefit of creditor, files a petition in bankruptcy court, voluntarily takes advantage of any bankruptcy or insolvency law, is adjudicated bankrupt or judicially insolvent, or if a petition or an answer is filed proposing the adjudication of such Contractor as bankrupt, when such Contractor will consent to the filing thereof or 60 days after the filing thereof unless the same will have been discharged, opposed or denied.

- II. Refuse or fail to supply enough properly skilled workers or proper materials to complete the Work in a time specified in this Agreement.
 - III. Fail to make prompt payment to Contractor's Personnel, hereinafter define, for labor performed on or material furnished to the job.
 - IV. Disregard or fail to comply with any Legal Requirements or other laws, ordinances, orders and safety and health regulations relating to the Work or the completion thereof.
 - V. Otherwise breach any term, condition or provision of this Agreement, whether said breach is gross negligence or otherwise.
- D. **Not entitled to payment beyond Termination.** If Managing Agent terminates this Agreement, Contractor will not be entitled to receive any further payment under this Agreement for Work performed after the termination of this Agreement or for any Work that was not performed in accordance with this Agreement.

SECTION 5. CONTRACTOR'S DUTIES

51 Contractor's Duties. Contractor will furnish all labor, supplies, materials and equipment to perform the Work at the time or times and as more particularly described in **Exhibit "A"**. Work will be performed in such a manner as to minimize (a) the possibility of any annoyance, interference or disruption to the occupants of the property and their invitees; and (b) damage to Property, any improvements on Property, or any personal property located within Property. Contractor will immediately repair in a manner and to a condition acceptable to Managing Agent, any damage caused by Contractor, or by Contractor's employees (collectively "**Contractor's Employees**") in connection with the Work to such Property improvements or personal property. In addition, Contractor will immediately repair in a manner and to a condition acceptable to Managing Agent, any damage caused by Contractor's agents, representatives, subcontractors, suppliers, materialmen, licensees, invitees, or consultants of either Contractor or its subcontractors of every tier

(collectively "**Contractor's Agents**") who provide services or materials in connection with the Work to the Property improvements or personal property. (Collectively, Contractor's Employees and Contractor's Agents are the "**Contractor's Personnel**").

Contractor must report any defects to Managing Agent in writing, before proceeding with its work. If necessary or applicable, Contractor must allow Managing Agent a reasonable time to remedy any defects. If Contractor's work is delayed by Managing Agent's requirement of time to remedy defects, any work completion date set forth in **Exhibit "A"** may be extended pursuant to this Agreement.

The Work will not be deemed complete until all debris generated by performance of this Agreement is cleaned-up and removed from Property, with Managing Agent's consent and if in compliance with all Legal Requirements (as defined in Section 5.10), placed in a trash receptacle or dumpsite designated by Managing Agent.

If applicable, **Exhibit "D"** sets forth a schedule of Work to be performed, with Contractor hereby acknowledging that Managing Agent will have the right to rely on such schedule in notifying the occupants of Property regarding such Work.

Contractor further agrees to immediately provide to Managing Agent a written update of the schedule previously provided if and when such schedule changes. Contractor recognizes that Contractor's failure to provide any such update to a schedule for the Work will constitute a material default under this Agreement.

52 Contractor's Personnel. Contractor will provide, at its sole cost and expense, any and all Contractor's Personnel as necessary to perform its duties under this Agreement. It is recognized that Managing Agent will rely upon the skill and judgment of Contractor in providing sufficient and qualified labor in Contractor's Personnel.

Managing Agent has the option to appoint an inspector ("**Inspector**") to oversee or monitor the Work at Property. Contractor will cooperate fully with Inspector so that Inspector is able to conduct inspections to ensure that all Work is properly performed in compliance with this Agreement.

54 Contractor's Agents. Contractor is at all times responsible for the actions and performance of Contractor's Personnel. 55 Independent Contractor. Contractor is an independent contractor with respect to the Work to be performed hereunder. Contractor will only use equipment and supplies for their intended uses, and will discontinue usage of any product which, in the sole discretion of Managing Agent, is inappropriate for its designated use. However, the right of Managing Agent to prohibit usage of a product will not relieve Contractor of its requirement to exercise its professional judgment.

- A. **Equipment Repair and Maintenance:** Contractor will, at its sole cost and expense, perform any and all repairs, maintenance and adjustments to equipment placed at Property in connection with the Work so as to maintain its complete and efficient operation at all times; such repairs, maintenance and adjustment will include but will not be limited to, regularly scheduled repainting/refurbishing of such equipment to maintain a new appearance.
