SECTION 4. TERM AND TERMINATION

4.1 Term. Unless otherwise canceled pursuant to the terms of this Agreement, the term of this Agreement will commence as of the Commencement Date shown on the first page of

this Agreement. No automatic renewal is in effect or implied. This Agreement will expire at the Termination Date as shown on the first page of this Agreement.

4.2 **Termination**

- A. **Termination with Notice to Cure.** In the event Contractor fails to perform any obligation in this Agreement in a manner satisfactory to Managing Agent, Managing Agent may, by written notice to Contractor, specify in detail the nature of the failure to perform and provide thirty (30) days from receipt of written notice for the Contractor to cure the failure. If the failure remains uncured, in the sole opinion of Managing Agent, at the end of the thirty (30) days a 30-day notice to terminate the Agreement takes effect.
- B. **Termination with or without Cause.** With or without cause, Managing Agent may, by written notice to Contractor, terminate this Agreement upon thirty (30) days written notice for any reason or no reason including, without limitation, the sale of the property by Owner.
- C. **Termination with Cause.** In the event Contractor fails to perform any requirement, term or specification under this Agreement in a manner satisfactory to Managing Agent, then Managing Agent may, without prejudice to any other remedy it may have, upon 5 (five) days written notice to Contractor, terminate this Agreement. Without limiting the foregoing, Managing Agent may, without prejudice to any other rights or remedies of Managing Agent at law, in equity, or under this Agreement, and without any payment to Contractor, complete the Work by whatever means or method Managing Agent may deem expedient or appropriate, and all such costs will be borne by Contractor. Managing Agent may offset such amounts against payments which may otherwise be due Contractor under this Agreement.

By way of description and not by limitation, the following provides examples of Contractor's failure to perform that may trigger a notice of Termination with Cause:

- I. Suffer bankruptcy. For purposes of this Agreement, "bankruptcy" will be deemed to occur when Contractor makes an assignment for the benefit of creditor, files a petition in bankruptcy court, voluntarily takes advantage of any bankruptcy or insolvency law, is adjudicated bankrupt or judicially insolvent, or if a petition or an answer is filed proposing the adjudication of such Contractor as bankrupt, when such Contractor will consent to the filing thereof or 60 days after the filing thereof unless the same will have been discharged, opposed or denied.
- II. Refuse or fail to supply enough properly skilled workers or proper materials to complete the Work in a time specified in this Agreement.

- III. Fail to make prompt payment to Contractor's Personnel, hereinafter define, for labor performed on or material furnished to the job.
 - IV. Disregard or fail to comply with any Legal Requirements or other laws, ordinances, orders and safety and health regulations relating to the Work or the completion thereof.
 - V. Otherwise breach any term, condition or provision of this Agreement, whether said breach is gross negligence or otherwise.
- D. **Not entitled to payment beyond Termination.** If Managing Agent terminates this Agreement, Contractor will not be entitled to receive any further payment under this Agreement for Work performed after the termination of this Agreement or for any Work that was not performed in accordance with this Agreement.

SECTION 5. CONTRACTOR'S DUTIES

51 Contractor's Duties. Contractor will furnish all labor, supplies, materials and equipment to perform the Work at the time or times and as more particularly described in **Exhibit "A"**. Contractor hereby covenants and agrees that the Work will be performed diligently and in a first-class manner, with new and good quality supplies, materials, equipment and workmanship, and will conform to the requirements of this Agreement. Work will be performed in such a manner as to minimize (a) the possibility of any annoyance, interference or disruption to the occupants of the property and their invitees; and (b) damage to Property, any improvements on Property, or any personal property located within Property. Contractor will immediately repair in a manner and to a condition acceptable to Managing Agent, any damage caused by Contractor, or by Contractor's employees (collectively "**Contractor's Employees**") in connection with the Work to such Property improvements or personal property. In addition, Contractor will immediately repair in a manner and to a condition acceptable to Managing Agent, any damage caused by Contractor's agents, representatives, subcontractors, suppliers, materialmen, licensees, invitees, or consultants of either Contractor or its subcontractors of every tier (collectively "**Contractor's Agents**") who provide services or materials in connection with the Work to the Property improvements or personal property. (Collectively, Contractor's Employees and Contractor's Agents are the "**Contractor's Personnel**").

Contractor must report any defects to Managing Agent in writing, before proceeding with its work. If necessary or applicable, Contractor must allow Managing Agent a reasonable time to remedy any defects. If Contractor's work is delayed by Managing Agent's requirement of time to remedy defects, any work completion date set forth in **Exhibit "A"** may be extended pursuant to this Agreement.

The Work will not be deemed complete until all debris generated by performance of this Agreement is cleaned-up and removed from Property, with Managing Agent's consent and if in

compliance with all Legal Requirements (as defined in Section 5.10), placed in a trash receptacle or dumpsite designated by Managing Agent.

If applicable, **Exhibit "D"** sets forth a schedule of Work to be performed, with Contractor hereby acknowledging that Managing Agent will have the right to rely on such schedule in notifying the occupants of Property regarding such Work.

Contractor further agrees to immediately provide to Managing Agent a written update of the schedule previously provided if and when such schedule changes. Contractor recognizes that Contractor's failure to provide any such update to a schedule for the Work will constitute a material default under this Agreement.

52 Contractor's Personnel. Contractor will provide, at its sole cost and expense, any and all Contractor's Personnel as necessary to perform its duties under this Agreement. It is recognized that Managing Agent will rely upon the skill and judgment of Contractor in providing sufficient and qualified labor in Contractor's Personnel.

Contractor will comply with the following:

- A. Contractor's Personnel who enter Property will be qualified to diligently and reputably perform the Work, and will be well supervised by Contractor to ensure that all Work is performed in a first class, workmanlike manner.
- B. Contractor's Personnel will be neat, clean and acceptable to Managing Agent at Managing Agent's sole discretion. Managing Agent may optionally require some or all of Contractor's Personnel to be dressed in a uniform subject to the approval of Managing Agent.
- C. Contractor will, at its sole cost and expense, immediately transfer or release, as Contractor deems appropriate, any of Contractor's Personnel whom, with or without cause, Managing Agent finds unacceptable (as evidenced by a request from Managing Agent to remove such individual(s) from the performance of the Work). Any such transferred or released individual will be immediately substituted by Contractor with a substitute qualified individual who meets the requirements of this Agreement.
- D. Contractor will provide, and Contractor's Personnel will carry, an identification card indicated Contractor's name, the name and photograph of the employee, and union identification, if any.
- E. Contractor will supervise and schedule Contractor's Personnel in performing the Work in accordance with this Agreement, and as more particularly described in **Exhibit "A,"** as well as any further Work as requested by Managing Agent.
- F. Contractor is at all times and remains fully and primarily liable for any action of Contractor's Personnel.

Managing Agent has the option to appoint an inspector ("**Inspector**") to oversee or monitor the Work at Property. Managing Agent will inform Contractor of the name of each such Inspector appointed to oversee the Work. Contractor will cooperate fully with Inspector so that Inspector is able to conduct inspections to ensure that all Work is properly performed in compliance with this Agreement.

54 Contractor's Agents. Contractor is at all times responsible for the actions and performance of Contractor's Personnel. The failure of performance by Contractor's Personnel does not relieve, release, or affect in any manner any of Contractor's duties, liabilities or obligations hereunder, and Contractor will at all times be and remain fully and primarily liable hereunder for Contractor's Personnel.

55 Independent Contractor. Contractor is an independent contractor with respect to the Work to be performed hereunder. Any and all of Contractor's Personnel will not, for any purpose, be considered employees or agents of Managing Agent. Contractor is solely responsible to direct and supervise Contractor's Personnel. Contractor has the sole and exclusive right to hire, fire, supervise and direct its employees or agents, appoint supervisors or managerial personnel, set compensation and fringe benefits, establish wages, hours and working conditions, pay and remit all withholding taxes, social security, unemployment and other such monies as may become payable as a result of an employer-employee relationship, and in any and every other way manage the working relationship with Contractor's Personnel. Contractor will comply with all employment laws relative to its employees including, but not limited to, wage and hour laws, workers' compensation laws, immigration laws, OSHA-type laws, and any other such monies as may become payable as a result of an employer-employee relationship.

No third-party beneficiary relationship, nor any joint employer relationship, is created between Contractor's Personnel and Managing Agent.

56 Damages. Contractor will be responsible for all damages of any nature whatsoever, whether involving bodily injury, death or damages to personal or private property caused by or in connection with the Work.

57 Payment of Taxes and Contributions. Contractor will pay any and all taxes and contributions assessed against Contractor, including but not limited to, unemployment insurance, retirement or pension benefits, pensions and annuities now imposed, or hereafter imposed by any applicable law or any governmental unit, which is measured by wages, salaries, or other remuneration paid to persons employed by Contractor in connection with the Work that Contractor is required to perform and/or has performed under the terms of this Agreement. Upon

request of Managing Agent, Contractor will provide copies of its payroll books and records, including payment instruments.

58 Equipment. Contractor will provide all equipment and supplies necessary to perform the Work. Contractor will provide such equipment and supplies as are appropriate, in the professional opinion of Contractor, to perform the duties in the most efficient and safest manner possible. Contractor will only use equipment and supplies for their intended uses, and will discontinue usage of any product which, in the sole discretion of Managing Agent, is inappropriate for its designated use. However, the right of Managing Agent to prohibit usage of a product will not relieve Contractor of its requirement to exercise its professional judgment.

- A. **Equipment Repair and Maintenance:** Contractor will, at its sole cost and expense, perform any and all repairs, maintenance and adjustments to equipment placed at Property in connection with the Work so as to maintain its complete and efficient operation at all times; such repairs, maintenance and adjustment will include but will not be limited to, regularly scheduled repainting/refurbishing of such equipment to maintain a new appearance.
- B. **Equipment/Material Delivery and Storage:** In each and every instance, Contractor will coordinate with Managing Agent Prior to delivery to Property of equipment and/or material used in performing the Work outlined herein. Contractor will not store equipment and/or materials on-site without written permission from Managing Agent, which permission Managing Agent may withhold in its sole and absolute discretion. Storeroom(s), if provided to Contractor in Managing Agent's sole and absolute discretion, will be kept in a neat, orderly and broom clean condition by Contractor at its sole cost and expense. Managing Agent assumes no liability or responsibility for Contractor's equipment or materials stored, placed or otherwise brought to or onto Property.
- C. **Equipment Ratings:** All devices installed, or equipment used by Contractor will meet all federal, state and local ordinances and U.L. ratings or its equivalent standards which pertain to the use of said equipment. Contractor will maintain said equipment in accordance with the original manufacturer's specifications and in accordance with industry standard maintenance procedures.
- D. **Termination/Removal of Equipment and Materials:** Upon expiration or termination of this Agreement, Contractor will, at its sole cost, remove all of its equipment and/or materials placed at the property, leaving the area where the equipment and/or materials were located in neat, orderly and broom clean condition. Said removal will be completed no later than 11:59 p.m. Eastern Time of the same day that this Agreement expires or is terminated.

59 Insurance Requirements. Contractor and all Contractor Personnel, including Subcontractor and Subcontract Personnel agree to have and maintain the minimum requirements set forth in **Exhibit "C"** entitled "Insurance Requirements for Vendors and Contractors", a copy of which is attached hereto and incorporated herein. All policies,

endorsements, certificates, and/or binders shall be subject to approval by Lindy Communities as to form and content. These requirements are subject to amendment or waiver only if so approved in writing by Lindy Communities. A lapse in any required insurance coverage during this Agreement shall be a breach of this Agreement.

- A. **Failure to Fulfill:** Any failure to fulfill any insurance obligation contained in this Section 5.09 (or in **Exhibit "C": Insurance Requirements for Vendors and Contractors** attached hereto) will constitute a material breach of this Agreement.
- B. **Right to Examine:** Managing Agent will have the right to examine and copy, or to require duplicate originals of at all times during business hours as requested by Managing Agent, all original insurance policies and additional insured endorsements and all other endorsements secured by Contractor.
- C. **Third Party Consultant:** To the extent that Managing Agent, in Managing Agent sole and absolute discretion, designates a third-party consultant to assist in its analysis and verification of Contractor's compliance with the insurance requirements set forth herein, Contractor will cooperate fully with such third-party consultant and will provide such information as is required of Contractor pursuant to this Agreement.

510 Compliance with Federal, State and Local Law. Contractor will comply with all applicable federal, state, city, county and municipal laws, statutes, ordinances and regulations, including without limitation, any licensing, bonding and permit requirements, applicable to this Agreement and the Work to be provided herein ("**Legal Requirements**"). Contractor will be financially responsible for all the foregoing licensing, bonding and permit requirements. If such compliance is impossible for reasons beyond Contractor's control, then Contractor will immediately notify Managing Agent of that fact and the reasons such compliance is impossible. Contractor shall further comply with and give any notices required by any governmental authority including federal, state, city, county and municipal governmental bodies. In the event of Contractor's failure to comply with any Legal Requirements, Contractor will indemnify Managing Agent in accordance with Section 6.

511 Reporting. Contractor will report to Managing Agent on an "as needed" basis or promptly after Managing Agent makes such a request to Contractor, all items which Contractor or its employees recognize as being in need of repair or replacement, so that Managing Agent will be able to maintain Property in a first-class condition.

Neither Contractor nor Contractor's Personnel will loiter around the leasing office, or in any common area, or in any apartment unit while on Property.

516 Checking-in with Managing Agent. On a daily basis, Contractor will "check-in" with Managing Agent prior to beginning that day's Work. Furthermore, Contractor will "check-out" daily at the completion of said day's Work. Any damage of any nature whatsoever, whether involving bodily injury, death, or damages to personal or private property caused by Contractor or in connection with the Work, must be immediately reported to Managing Agent verbally as well as in written form acceptable to Managing Agent before the end of the day when said damage occurred.

SECTION 6. INDEMNIFICATION

61 Indemnified Parties. Notwithstanding anything in this Agreement to the contrary, Contractor hereby covenants and agrees to indemnify, defend and hold harmless Managing Agent and Owner and each of their respective current and former general and limited partners, members, principals, affiliates, directors, officers, shareholders, beneficiaries, trustees, employees, agents, successors and assigns (collectively, the "**Indemnified Parties**") from and against:

- A. Any claim, liability, loss, damages, cost or expense, including, without limitation, reasonable attorneys' fees, awards, fines or judgments, arising by reason of: (1) Contractor's default or breach of any of the provisions of this Agreement; or (2) death, bodily injury, mental anguish to persons, damage to property, whether real or personal, defective work (including, without limitation, defective materials) or in connection with the Work, whether performed by Contractor, and/or by Contractor's Personnel, and whether such claims, liabilities, losses, damages, costs, or expenses arise in tort (including, without limitation, negligence, gross negligence, recklessness, or willful misconduct), or as a result of violations of local, state or federal laws, statutes, ordinances, regulations, common law or contract, except for those claims resulting solely from the negligence or willful misconduct of Managing Agent.
- B. Any taxes, penalties, interest and/or fines assessed by any governmental entity against Managing Agent or Owner that is connected to Contractor in performing the Work as described in this Agreement.

62 Indemnification. To the fullest extent permitted by law, Contractor agrees to hold-harmless and indemnify the Indemnified Parties, regarding any past, present, and/or future claims relating to or arising out of the Work and caused by Contractor's negligence or willful misconduct. If a court, mediator, arbitration panel, or other body finds that Indemnified Parties are liable with respect to claims arising out of the Work and caused by Contractor's negligence or willful misconduct, Contractor agrees to compensate Indemnified Parties for any damages awarded against Indemnified Parties. In claims against any person or entity indemnified under this Section 6.01 by Contractor or Contractor's Personnel, the indemnification obligation under this Section shall not be limited by a limitation on amount or type of damages, compensation or benefits payable by or for the Contractor or a Subcontractor under workers' compensation acts, disability benefit acts or other employee benefit acts.

63 Release. Contractor will assume the entire and exclusive responsibility and liability as described above for any activity by Contractor's Personnel, and will ensure that any of the Contractor's Personnel, including as the term Contractor's Personnel is defined, any subcontractor, will indemnify Managing Agent in the same manner as this Agreement requires Contractor to indemnify Managing Agent.

The Contractor further warrants that the Work will be free from defects, except for those inherent in the quality of the Work this Agreement requires or permits. Work, materials or equipment not conforming to these requirements may be considered defective.

SECTION 7. WORKS MADE FOR HIRE; CONFIDENTIALITY; TRADEMARKS; AUDIT; SURVIVAL

71 Works made for Hire. All information, reports, studies, computer programs (object or source code), customer lists, work products, works of authorship, creative or audiovisual works, and other tangible or intangible material produced by or as a result of the Work will be the sole and exclusive property of Managing Agent in its role as agent for Owner, it being intended that such material will be "works made for hire," of which Owner will be deemed the author. To the extent that notwithstanding the foregoing such material is not deemed "works made for hire" under applicable law, Contractor hereby irrevocably grants, assigns, transfers, designates, and sets over under Managing Agent in its role as agent for Owner, all right title and interest of any kind nature or description in and to such material.

72 Confidentiality. Contractor acknowledges and agrees that the tangible and intangible information obtained or developed in connection with the performance of this Agreement is deemed to be considered confidential and proprietary information ("**Confidential Information**"). Contractor will not disclose Owner's Confidential Information to any other entity or persons without Managing Agent's prior consent. Contractor will not: (i) make any use or copies of the Confidential Information except as required to provide services in connection

with the Work; (ii) acquire any right in or assert any lien against the Confidential Information; (iii) sell, assign, lease, or otherwise dispose of Confidential Information to third parties or commercially exploit such information; or (iv) refuse for any reason to promptly return Confidential Information to Managing Agent if so requested. Upon termination of this Agreement, Contractor will promptly return or, if so requested, destroy any Confidential Information in its possession (including all copies thereof) or in the possession of Contractor's Personnel. Contractor agrees to notify Managing Agent promptly and in writing of any circumstances of which Contractor has knowledge relating to any possession, use or knowledge of any portion of the Confidential Information by any unauthorized person.

73 Trademarks. Contractor acknowledges that Managing Agent in its role as agent for Owner is the sole and exclusive owner of the respective trademarks, service marks, trade names and logos of Property (together, the "**Marks**"). Contractor agrees that it will not make any use of the Marks except with Managing Agent's prior written consent. Contractor agrees and acknowledges that it will not acquire any interest in the Marks or the goodwill associated with the Marks by virtue of this Agreement or Contractor's use of the Marks. Any work product generated as a result of the Work contemplated hereunder will be deemed a "work for hire" owned exclusively by Managing Agent in its role of agent for Owner. In any event, Contractor hereby assigns any right it may have in such work product to Managing Agent in its role as agent for Owner.

74 Audit. Contractor agrees upon reasonable request to substantiate that Contractor's billing is in conformity with the terms of the agreement and to furnish documents verifying each charge billed to Managing Agent on a time and material basis or to the extent required by law.

75 Survival. The provisions of this Section 7 will survive the expiration or other termination of this Agreement.

SECTION 8. LIENS AND ENCUMBRANCES

81 Liens and Encumbrances. Contractor will not, at any time, suffer or permit any lien or attachment or encumbrance to be imposed by any person, firm or corporation upon the Property or any improvements thereon, by reason of any claim or demand against Contractor, Contractor's Personnel, or otherwise. Contractor hereby agrees to indemnify, defend, and hold harmless the Indemnified Parties (as defined in Section 6 above) from and against any and all costs, losses, liabilities, claims, demands, and expenses (including, without limitation, reasonable attorneys' fees and expenses) arising from any mechanic's materialmen's or any other lien filed against the Property in connection with any labor, materials, or services furnished by or through Contractor upon or in connection with the Property.

A. This indemnity will survive the termination of this Agreement.

B. Contractor further agrees to execute a sworn affidavit respecting the payment and lien releases of any or all of Contractor's Personnel and a release of lien

respecting the Work at such time or times and in such forms as may be reasonably requested by Managing Agent.

- C. Managing Agent will have the right to cure any liens, attachments or encumbrances in the event Contractor fails to do so and charge Contractor for any amount expended curing such items (including, without limitation, offsetting such amounts against payments which may otherwise be due Contractor under this Agreement).
- D. If required by Managing Agent: (i) executed and notarized lien waivers for material and labor in a form satisfactory to Managing Agent, must accompany each invoice for payment submitted by Contractor; and (ii) Contractor will furnish Managing Agent with sworn affidavits, Contractor's sworn statement and any other documentation as may be required by Managing Agent.

SECTION 9. ASSIGNMENTS AND SUBCONTRACTS

9.01 Assignments and Subcontracts. It is expressly understood and agreed that this Agreement is personal to Contractor and was awarded to Contractor based upon its professional skills, knowledge, and expertise. Contractor will have no right, power, or authority to assign this Agreement or any portion thereof to any third party, either voluntarily or involuntarily, or by operation of law. Contractor will have no right, power, or authority to subcontract or assign the Work or any part thereof, without Managing Agent's written approval, which may be withheld or denied in Managing Agent's sole and absolute discretion. Neither approval nor consent by Managing Agent for Contractor to enter into any subcontract or the failure or performance thereof by any such subcontractor will relieve, release or affect, in any manner, any of Contractor's duties, liabilities or obligations hereunder, and Contractor will be and remain liable hereunder to the same extent as if no subcontract had been permitted, made, or entered into. Except to the extent above indicated, all of the rights, benefits, duties, liabilities and obligations of the parties hereto will inure to the benefit of and be binding upon their respective successors and assigns.

SECTION 10. NON-RECOURSE AGREEMENT

10.01 Non-Recourse Agreement. It is expressly understood and agreed by and between the parties hereto that, notwithstanding anything contained in this Agreement to the contrary, Contractor (or any person claiming by, through or under Contractor) will have no personal recourse for the payment or performance of any obligation under, or for any claim based on this Agreement and against Managing Agent or against any other Indemnified Party under this Agreement beyond the interest of Owner in Property. Contractor hereby releases and waives all personal liability of the above-described persons and entities arising from or in any way connected with this Agreement or the Work. A negative capital account of any partner or sub-partner will not be deemed an interest of Managing Agent in Property, and recourse under this

Agreement will not under any circumstances extend to any such negative capital account. Contractor acknowledges and agrees that Managing Agent would not have entered into this Agreement without the benefit of the provisions of this Section 10.

SECTION 11. ENVIRONMENTAL COMPLIANCE

11.1 No Violation of Environmental Laws. Contractor represents, warrants and covenants to Managing Agent that Contractor will at no time use or permit Property to be used in violation of any applicable laws, codes and/or regulations, including, but not limited to any laws regarding waste disposal or other environmental laws. Contractor will assume sole and full responsibility for, and will remedy at its sole cost and expense, all such violations, provided that Managing Agent's approval of all remedial actions will be first obtained in writing, which approvals will not be unreasonably withheld. Contractor will at no time use, generate, release, store, treat, dispose of, or otherwise deposit in, on, under, or about Property, any material or substance which may be hazardous or toxic as determined from time to time by any governmental body or by Managing Agent ("**Hazardous Materials**"), or permit or allow any third party to do so, without Managing Agent's prior written consent, which may be granted or withheld in Managing Agent's sole and absolute discretion. Contractor's compliance with all applicable laws, codes and/or regulations will be at Contractor's sole cost and expense. Contractor will pay or reimburse Managing Agent for any cost or expense incurred by Managing Agent, respectively, including reasonable attorneys', engineers', and consultants' fees, to approve, consent to, or monitor the above requirements for compliance with applicable laws, codes and/or regulations, including, without limitation, above and below ground testing.

11.2 Ownership and Removal of Specified Items. Any and all chemical containers, vessels or other equipment brought onto Property by Contractor will remain the property of Contractor. Upon notification from Managing Agent, Contractor will cause such items to be removed from Property and properly disposed of, in accordance with applicable laws, codes and/or regulations at Contractor's sole cost and expense.

11.3 Material Safety Data Sheets. Contractor will provide to Managing Agent any Material Safety Data Sheets ("MSDS") required pursuant to the Occupational Safety and Health Act of 1970 (29 U.S.C. § 651 et seq.) ("OSHA"), as amended from time to time and regulations promulgated hereunder.

11.04. Owner's Right to Self-Perform. If Contractor fails to comply with the provisions of this Section #11, Managing Agent will have the right, but not the obligation, without in any way limiting Managing Agent's other rights and remedies under this Agreement, at law, or in equity, to take such actions as Managing Agent deems necessary or advisable to clean up, remove, resolve, or minimize the impact of, or otherwise deal with any Hazardous Materials on or affecting the Property due to Contractor's acts or omissions. The cost of exercising all rights will be payable by Contractor to Managing Agent upon demand.

11.05 Presence of Lead or Asbestos Containing Materials (ACM's). Managing Agent agrees to notify Contractor if Managing Agent is aware or becomes aware prior to the

completion of Work of the existence of asbestos, lead, or other hazardous material in any common area, mechanical room, apartment unit, or other place in the building where the Contractor's Personnel are or may be required to perform Work. In the event it should become necessary to abate, encapsulate or remove the foregoing hazardous materials from the building, Managing Agent agrees to be responsible for such abatement encapsulation or removal, and any governmental reporting, and in such event Contractor will be entitled to (i) delay its work until it is determined to Contractor's satisfaction that no hazard exists; and (ii) reasonable compensation for delays encountered.

SECTION 12. IMMIGRATION REFORM AND CONTROL ACT, AND OFFICE OF FOREIGN ASSET CONTROL

121 Immigration Reform and Control Act. Contractor is aware of the requirements and restrictions imposed on it by the Immigration Reform and Control Act of 1986 and will comply with its applicable requirements in performing its obligations. Without limiting the foregoing, Contractor further warrants that it has (1) verified that Contractor's Personnel are legally authorized to work in the United States for the duration of all services provided to Managing Agent; (2) required Contractor's Personnel to complete and execute Sections 1 and 2 of the DHS Form I-9; and (3) processed Contractor's Personnel through Department of Homeland Security Employment Eligibility Verification "E.E.V."

122 Office of Foreign Asset Control. Contractor warrants and represents to Managing Agent that Contractor is not, and will not become, a person or entity with whom Owner is restricted from doing business with under regulations of the Office of Foreign Asset Control ("OFAC") of the Department of Treasury (including, but not limited to, those named on OFAC's Specially Designated and Blocked Persons list) or under any statute, executive order (including but not limited to, the September 24, 2001, Executive Order Blocking Property and Prohibiting Transactions With Persons Who Commit, Threaten to Commit, or Support Terrorism), or other governmental action and is not and will not engage in any dealings or transaction or be otherwise associated with such persons or entities.

SECTION 13. NOTICES.

131 Notices. Any written notice made or required to be given by Contractor to Managing Agent will be addressed to the address specified in Section 2. Any written notice made or required to be given by Managing Agent to Contractor will be addressed to the address specified in Section 2.

132 Notice Delivery. Any and all written notices will be delivered in person, by certified or registered mail, with return receipt requested, or by reputable private courier (e.g., Federal Express, UPS), and will be deemed effective after deposited in the United States Post Office, postage prepaid, and addressed as above provided, or when delivered (or when delivery is attempted). The parties hereto may, by notice in writing, designate another address to which notice will be given pursuant to this Agreement.

SECTION 14 MISCELLANEOUS

141 Waiver. No provision of this Agreement will be deemed waived unless waived in writing by the party benefitted by such provision. Any failure of Contractor or its insurer to comply in full with any provisions of this Agreement and any failure by Managing Agent to enforce the provisions of this Agreement will in no way constitute a waiver by Managing Agent of any contractual right hereunder, unless such waiver is in writing and signed by Managing Agent.
