of a matter of default specified in such notice. If Contractor fails to cure the default, Managing Agent may in fact terminate this Agreement.

By way of description and not by limitation, the following provides examples of Contractor's failure to perform that may trigger a notice of Termination with Cause:

For purposes of this Agreement, "bankruptcy" will be deemed to occur when Contractor makes an assignment for the benefit of creditor, files a petition in bankruptcy court, voluntarily takes advantage of any bankruptcy or insolvency law, is adjudicated bankrupt or judicially insolvent, or if a petition or an answer is filed proposing the adjudication of such Contractor as bankrupt, when such Contractor will consent to the filing thereof or 60 days after the filing thereof unless the same will have been discharged, opposed or denied.
 - II. Refuse or fail to supply enough properly skilled workers or proper materials to complete the Work in a time specified in this Agreement.
 - III. Fail to make prompt payment to Contractor's Personnel, hereinafter define, for labor performed on or material furnished to the job.
 - IV. Disregard or fail to comply with any Legal Requirements or other laws, ordinances, orders and safety and health regulations relating to the Work or the completion thereof.
 - V. Otherwise breach any term, condition or provision of this Agreement, whether said breach is gross negligence or otherwise.
- C. **Not entitled to payment beyond Termination.** If Managing Agent terminates this Agreement, Contractor will not be entitled to receive any further payment under this Agreement for Work performed after the termination of this Agreement or for any Work that was not performed in accordance with this Agreement.
