A new Public Works Employment Verification Act (43 P.S. §§ 167.1-167.11) went into effect regarding to all public works contracts awarded in Pennsylvania after January 1, 2013. Under this Act, all contractors (including subcontractors) who work on public works projects must enroll in and utilize the E-Verify program to ensure that its employees are authorized to work in the United States. As a subcontractor to Worth, you are required to enroll in this free internet-based program at: <https://e-verify.uscis.gov/emp/vislogin.aspx?IS=YES>. Subcontractor is also referred to the Pennsylvania Department of General Services web site at www.dgs.state.pa.us to obtain a copy of the necessary and applicable forms. Failure to enroll and utilize this program for public works projects in Pennsylvania is a violation of the law. By entering into an agreement with Worth, subcontractor agrees that it has enrolled in the E-Verify system and that it has and will continue to utilize the E-Verify program as required by law. Finally, to the extent that subcontractor fails to enroll and/or utilize the E-Verify system as required, subcontractor will defend and indemnify Worth from any and all damages, penalties, claims, costs, attorneys' fees, etc., resulting from subcontractor's failure (intentional or unintentional) to abide by the obligation of this new law.
