SECTION 4. TERM AND TERMINATION

4.1. Term. Unless otherwise canceled pursuant to the terms of this Agreement, the term of this Agreement will commence as of the Commencement Date shown on the first page of this Agreement. No automatic renewal is in effect or implied. This Agreement will expire at the Termination Date as shown on the first page of this Agreement.

4.2. Termination

- A. **Termination with Notice to Cure.** In the event Contractor fails to perform any obligation in this Agreement in a manner satisfactory to Managing Agent, Managing Agent may, by written notice to Contractor, specify in detail the nature of the failure to perform and provide thirty (30) days from receipt of written notice for the Contractor to cure the failure. If the failure remains uncured, in the sole opinion of Managing Agent, at the end of the thirty (30) days a 30-day notice to terminate the Agreement takes effect.
- B. **Termination with or without Cause.** With or without cause, either party may, by written notice to other party, terminate this Agreement upon thirty (30) days written notice for any reason or no reason including, without limitation, the sale of the property by Owner.
- C. **Termination with Cause.** In the event Contractor fails to perform any requirement, term or specification under this Agreement in a manner reasonably satisfactory to Managing Agent and failure remains uncured for thirty (30) days from the receipt of notice for cure, then Managing Agent may, without prejudice to any other remedy it may have, upon 5 (five) days written notice to Contractor, terminate this Agreement. Without limiting the foregoing, Managing Agent may, without prejudice to any other rights or remedies of Managing Agent at law, in equity, or under this Agreement, and without any payment to Contractor, complete the Work by whatever means or method Managing Agent may deem expedient or appropriate, and all such costs will be borne by Contractor. Managing Agent may offset such amounts against payments which may otherwise be due Contractor under this

Agreement. Managing Agent to attach evidence so Contractor knows the work had to be hired outside.

By way of description and not by limitation, the following provides examples of Contractor's failure to perform that may trigger a notice of Termination with Cause:

- I. Suffer bankruptcy. For purposes of this Agreement, "bankruptcy" will be deemed to occur when Contractor makes an assignment for the benefit of creditor, files a petition in bankruptcy court, voluntarily takes advantage of any bankruptcy or insolvency law, is adjudicated bankrupt or judicially insolvent, or if a petition or an answer is filed proposing the adjudication of such Contractor as bankrupt, when such Contractor will consent to the filing thereof or 60 days after the filing thereof unless the same will have been discharged, opposed or denied.
 - II. Refuse or failure to supply enough properly skilled workers or proper materials to complete the Work in a time specified in this Agreement.
 - III. Fail to make prompt payment to Contractor's Personnel, hereinafter define, for labor performed on or material furnished to the job.
 - IV. Disregard or fail to comply with any Legal Requirements or other laws, ordinances, orders and safety and health regulations relating to the Work or the completion thereof.
 - V. Otherwise breach any term, condition or provision of this Agreement, whether said breach is gross negligence or otherwise.
- D. **Not entitled to payment beyond Termination.** If Managing Agent terminates this Agreement for Contractor's breach, per Scope of Work described in Exhibit "A". Contractor will not be entitled to receive any further payment under this Agreement for Work performed after the termination of this Agreement or for any Work that was not performed in accordance with this Agreement.

SECTION 5. CONTRACTOR'S DUTIES

5.1. **Contractor's Duties.** Contractor will furnish all labor, supplies, materials and equipment to perform the Work at the time or times and as more particularly described in **Exhibit "A"**. Contractor hereby covenants and agrees that the Work will be performed diligently and in a first class manner, with good, clean and safe quality supplies, materials, equipment and workmanship, and will conform to the requirements of this Agreement. Work will be performed in such a manner as to minimize (a) the possibility of any annoyance, interference or disruption to the occupants of the property and their invitees; and (b) damage to Property, any improvements on Property, or any personal property located within Property. Contractor will immediately repair in a manner and to a condition reasonably acceptable to Managing Agent any damage to the extent caused by Contractor, or by Contractor's employees (collectively "**Contractor's Employees**") in connection with the Work to such Property improvements or personal property. In addition, Contractor will immediately repair in a manner

and to a condition reasonably acceptable to Managing Agent, any damage to the extent caused by Contractor's agents, representatives, subcontractors, suppliers, materialmen, licensees, invitees, or consultants of either Contractor or its subcontractors of every tier (collectively "**Contractor's Agents**") who provide services or materials in connection with the Work to the Property improvements or personal property. (Collectively, Contractor's Employees and Contractor's Agents are the "**Contractor's Personnel**").

Contractor must report any defects to Managing Agent in writing, before proceeding with its work. If necessary or applicable, Contractor must allow Managing Agent a reasonable time to remedy any defects. If Contractor's work is delayed by Managing Agent's requirement of time to remedy defects, any work completion date set forth in **Exhibit "A"** shall be extended pursuant to this Agreement.

The Work will not be deemed complete until all debris generated by performance of this Agreement is cleaned-up and removed from Property, with Managing Agent's consent and if in compliance with all Legal Requirements (as defined in Section 5.10), placed in a trash receptacle or dumpster designated by Managing Agent.

If applicable, **Exhibit "D"** sets forth a schedule of Work to be performed, with Contractor hereby acknowledging that Managing Agent will have the right to rely on such schedule in notifying the occupants of Property regarding such Work.

Contractor further agrees to immediately provide to Managing Agent a written update of the schedule previously provided if and when such schedule changes. Contractor recognizes that Contractor's failure to provide any such update to a schedule for the Work will constitute a material default under this Agreement.

5.2. Contractor's Personnel. Contractor will provide, at its sole cost and expense, any and all Contractor's Personnel as necessary to perform its duties under this Agreement. It is recognized that Managing Agent will rely upon the skill and judgment of Contractor in providing sufficient and qualified labor in Contractor's Personnel.

Contractor will comply with the following:

- A. Contractor's Personnel who enter Property will be qualified to diligently and reputably perform the Work, and will be well supervised by Contractor to ensure that all Work is performed in a first class, workmanlike manner.
- B. Contractor's Personnel will be neat, clean and acceptable to Managing Agent at Managing Agent's sole discretion. Managing Agent may optionally require some or all of Contractor's Personnel to be dressed in a uniform subject to the approval of Managing Agent.
- C. Any such transferred or released individual will be promptly substituted by Contractor with a substitute qualified individual who meets the requirements of this Agreement.

- E. Contractor will supervise and schedule Contractor's Personnel in performing the Work in accordance with this Agreement, and as more particularly described in Exhibit "A," as well as any further Work as requested by Managing Agent.
- F. Contractor is at all times and remains fully and primarily liable for any action of Contractor's Personnel.
- G. Contractor and all Contractor's Personnel, including Subcontractor and Subcontractor Personnel, are required to procure and maintain the insurance coverages outlined in "Exhibit C: Insurance Requirements for Vendors and Contractors" for the duration of the contract.

5.3. Inspector. "To the extent Contractor is negligent." Contractor will be responsible for the supervision and direction of the Work performed by Contractor's Personnel. Managing Agent has the option to appoint an inspector ("**Inspector**") to oversee or monitor the Work at Property. Managing Agent will inform Contractor of the name of each such Inspector appointed to oversee the Work. Contractor will cooperate fully with Inspector so that Inspector is able to conduct inspections to ensure that all Work is properly performed in compliance with this Agreement.

5.4. Contractor's Agents. Contractor is at all times responsible for the actions and performance of Contractor's Personnel. The failure of performance by Contractor's Personnel does not relieve, release, or affect in any manner any of Contractor's duties, liabilities or obligations hereunder, and Contractor will at all times be and remain fully and primarily liable hereunder for Contractor's Personnel.

5.5. Independent Contractor. Contractor is an independent contractor with respect to the Work to be performed hereunder. Contractor will comply with all applicable employment laws relative to its employees including, but not limited to, wage and hour laws, workers' compensation laws, immigration laws, OSHA-type laws, and any other such monies as may become payable as a result of an employer-employee relationship.

No third party beneficiary relationship, nor any joint employer relationship, is created between Contractor's Personnel and Managing Agent.

5.6. Damages. Contractor will be responsible for all damages of any nature whatsoever, whether-involving bodily injury, death or damages to personal or private property to the extent caused by or in connection with the Work.

5.7. Payment of Taxes and Contributions. Contractor will pay any and all taxes and contributions assessed against Contractor, including but not limited to, unemployment insurance,

retirement or pension benefits, pensions and annuities now imposed, or hereafter imposed by any applicable law or any governmental unit, which is measured by wages, salaries, or other remuneration paid to persons employed by Contractor in connection with the Work that Contractor is required to perform and/or has performed under the terms of this Agreement. Managing Agent has the right to seek sufficient detail behind invoiced items, and Contractor is obligated to promptly supply the detail.

5.8. Equipment. Contractor will provide all equipment and supplies necessary to perform the Work. Contractor will provide such equipment and supplies as are appropriate, in the professional opinion of Contractor, to perform the duties in efficient and safe manner. Contractor will only use equipment and supplies for their intended uses, and will discontinue usage of any product which, in the sole discretion of Managing Agent, is inappropriate for its designated use. However, the right of Managing Agent to prohibit usage of a product will not relieve Contractor of its requirement to exercise its professional judgment.

- A. **Equipment Repair and Maintenance:** Contractor will, at its sole cost and expense, perform any and all repairs, maintenance and adjustments to equipment placed at Property in connection with the Work so as to maintain its complete and efficient operation at all times; such repairs, maintenance and adjustment will include but will not be limited to, regularly scheduled repainting/refurbishing of such equipment to maintain a new appearance.

Storeroom(s), if provided to Contractor in Managing Agent's sole and absolute discretion, will be kept in a neat, orderly and broom clean condition by Contractor at its sole cost and expense. It is the expectation of Managing Agent and Contractor that no Storeroom(s) are provided within the scope of this agreement.

Said removal will be completed within a reasonable time period not to exceed 48 hours after the Agreement expires or is terminated.

5.9. Insurance Requirements. Contractor and all Contractor Personnel, including Subcontractor and Subcontract Personnel agree to have and maintain the minimum requirements set forth in **Exhibit "C"** entitled "Insurance Requirements for Vendors and Contractors", a copy of which is attached hereto and incorporated herein. These requirements are subject to amendment or waiver only if so approved in writing by Lindy Communities. A lapse in any required insurance coverage during this Agreement shall be a breach of this Agreement.

- A. **Failure to Fulfill:** Any failure to fulfill any insurance obligation contained in this Section 5.09 (or in **Exhibit "C": Insurance Requirements for Vendors and Contractors** attached hereto) will constitute a material breach of this Agreement.
- B. **Right to Examine:** Managing Agent will have the right to examine and copy, or to require duplicate originals of at all times during business hours as requested by Managing Agent, all original insurance policies and additional insured endorsements and all other endorsements secured by Contractor.

5.10. Compliance with Federal, State and Local Law. Contractor will comply with all applicable federal, state, city, county and municipal laws, statutes, ordinances and regulations, including without limitation, any licensing, bonding and permit requirements, applicable to this Agreement and the Work to be provided herein ("**Legal Requirements**"). Contractor will be financially responsible for all the foregoing licensing, bonding and permit requirements. If such compliance is impossible for reasons beyond Contractor's control, then Contractor will immediately notify Managing Agent of that fact and the reasons such compliance is impossible. Contractor shall further comply with and give any notices required by any governmental authority including federal, state, city, county and municipal governmental bodies. It is hereby agreed that Owner and Managing Agent will both comply with all applicable federal, state, city, county and municipal laws, statutes, ordinances and regulations.

5.11. Reporting. Contractor will report to Managing Agent on an "as needed" basis or promptly after Managing Agent makes such a request to Contractor, all items which Contractor or its employees recognize as being in need of repair or replacement, so that Managing Agent will be able to maintain Property in a first-class condition.

Contractor agrees that it will not make any use of the Marks except with Managing Agent’s prior written consent. Contractor agrees and acknowledges that it will not acquire any interest in the Marks or the goodwill associated with the Marks by virtue of this Agreement or Contractor’s use of the Marks. Any work product generated as a result of the Work contemplated hereunder will be deemed a “work for hire” owned exclusively by Managing Agent in its role of agent for Owner. In any event, Contractor hereby assigns any right it may have in such work product to Managing Agent in its role as agent for Owner.

7.4. Audit. Contractor agrees upon reasonable request to substantiate that Contractor’s billing is in conformity with the terms of the agreement and to furnish documents verifying each charge billed to Managing Agent on a time and material basis or to the extent required by law.

Contractor hereby releases and waives all personal liability of the above-described persons and entities arising from or in any way connected with this Agreement or the Work. A negative capital account of any partner or sub-partner will not be deemed an interest of Managing Agent in Property, and recourse under this Agreement will not under any circumstances extend to any such negative capital account. Terrorism), or other governmental action and is not and will not engage in any dealings or transaction or be otherwise associated with such persons or entities.

SECTION 13. NOTICES.

The parties hereto may, by notice in writing, designate another address to which notice will be given pursuant to this Agreement.

SECTION 14 MISCELLANEOUS

14.1. Waiver. No provision of this Agreement will be deemed waived unless waived in writing by the party benefitted by such provision. Any failure of Contractor or its insurer to comply in full with any provisions of this Agreement and any failure by Managing Agent to enforce the provisions of this Agreement will in no way constitute a waiver by Managing Agent of any contractual right hereunder, unless such waiver is in writing and signed by Managing Agent.

14.2. Severability. In the event that any provisions of this Agreement should be held to be void, voidable or unenforceable, the remaining portions hereof will remain in full force and effect.

14.3. Amendments. This Agreement may be modified only in writing signed by the parties.

14.4. Choice of Law. The laws of the State of Pennsylvania, as well as the local laws of the county and municipality wherein the Property is located, will govern this contract.

14.5. Advice of Consultants. Contractor represents that it has reviewed this Agreement, including all exhibits (including, without limitation, the scope of the Work to be performed pursuant to this Agreement) with attorneys, accountants, advisors, and such other consultants of Contractor as Contractor deems necessary and appropriate. The parties agree that the fact that one or the other has drafted and prepared this Agreement will not result in any provision of this Agreement being construed against such drafting party.

14.6. Time of the Essence. Time is of the essence with respect to the performance of all obligations under this Agreement.

14.7. Entire Agreement. All negotiations and agreements are merged herein, and there are no provisions, covenants, or other agreements between the parties other than those contained herein or incorporated herein by reference. This agreement is the entire agreement between the parties hereto with respect to the subject matter hereof.

14.8. Rights of Enforcement. The parties agree that despite the fact that Owner and the Indemnified Parties are not signatories to this Agreement, the Owner and the Indemnified Parties will have an independent right to enforce the indemnification (Section 6) and any other provisions of this Agreement that are for the express or implied benefit of such parties.

14.9. Force Majeure. During any period when performance of a party's obligation is prevented by a Force Majeure Event, that obligation shall be suspended provided that the party whose performance is suspended shall resume performance as soon as reasonably possible upon cessation of the Force Majeure Event. The party claiming inability to perform shall notify the other party as soon as practical upon the beginning and ending of the Force Majeure Event. The parties may make reasonable efforts to perform the obligations of this Agreement during the Force Majeure Event. If Contractor is reasonably willing or able to provide some level of the Services during a period of a Force Majeure Event, Contractor's reasonable performance under the circumstances shall be sufficient, and partial performance shall not be considered a breach of performance. If Contractor is required to incur additional expenses in performing its obligations during a Force Majeure Event or thereafter as a result of damages caused by the Force Majeure Event, then Contractor may pass through those expenses to Managing Agent, and Managing Agent shall reimburse Contractor in accordance with the terms of this Agreement.

14.10. Limitation of Liability. Except for Owner and Managing Agent's liability towards Contractor for consequential and indirect damages for claims resulting from inclusion of Unacceptable Waste in the Waste Material, under no other circumstance will Managing Agent or Owner or Contractor be liable for any special, indirect, liquidated, consequential or any other type of damages of any kind. Damages are limited to direct damages and capped by the amount of compensation Contractor is to receive pursuant to the Agreement.

14.11. Sale of Building. In the event during the term of this Agreement, Property should change ownership, Managing Agent in its role as agent for Owner may assign the contract as part of the sale. Notwithstanding the above, as set forth in Section 4.02(B), Managing Agent will have the right to cancel the contract upon sale by providing thirty (30) days written notice of termination.

14.12. Representations and Warranties. Managing Agent and Owner warrants that Waste Material that Owner/Managing Agent disposes will not contain an unreasonable amount of Unacceptable Waste.

If Owner's / Managing Agent's Unacceptable Waste is collected into equipment utilized in connection with the services or deposited at a disposal or recycling facility, Contractor will give Owner / Managing Agent telephonic notice thereof and a reasonable opportunity to remove and dispose of such Unacceptable Waste. If Owner / Managing Agent elects to remove and dispose of such Unacceptable Waste, it shall do so within such time period and under the conditions as Contractor reasonably deems necessary or appropriate in connection with the operation of such equipment or facility, including the preservation of the health and safety of employees. If, after electing to do so, Owner / Managing Agent does not remove the Unacceptable Waste within such time period, or if Owner / Managing Agent fails to so elect, Contractor may remove and dispose of such Unacceptable Waste as Owner's agent, without further notice to Owner / Managing Agent, and Owner / Managing Agent shall pay the direct and indirect costs incurred by Contractor and its subcontractors due to removal, remediation, handling, transportation, delivery and disposal of such Unacceptable Waste. Notwithstanding the foregoing, no notice shall be required by Contractor to Owner/Managing Agent for Contractor and its subcontractors to dispose of Unacceptable Waste as Owner's agent in emergency situations where in Contractor's reasonable judgment a delay in such disposal could constitute a hazard to such equipment or facility, or any person on, about or near such equipment or facility. In addition to the foregoing, Owner/Managing Agent agrees to promptly pay (within 15 days after date of Contractor's invoice) for all fines, penalties and similar assessments made against Contractor and its subcontractors as a result of such Unacceptable Waste.
