Theft
Description of Incident
Upon opening the office today, January 18, 2023, about 8:30A, I was approached by the residents of Bromley A202: James and Joanne Perry. Their Acura window on the passenger side was broken. Their handicap placard and coins were stolen. They informed me that they were not the only vehicle broken into last night. There was a Subaru parked in front of the D building with broken glass to the driver seat. The owner of the vehicle is James Woodson who resides in D209. His handicap placard was stolen, as well. Both residents completed a report with the 35th district. A202 DC# 23-35-003635 and D209 DC# 23-35-003639. Photos were taken and I was able to obtain camera footage. The police informed me that the detectives may contact me for footage. The video footage can be found inside Box, under Car incident 1-18-23.
Corrective action taken at the time of the incident
Viewed the camera footage and shared pertinent information with the police and residents.
What we have done related to Customer Service and helping the resident, if anything?
Apologized to residents that this event occurred.
