Description of Incident
Kim Robertson, the supervisor at Cardinal Point, was alerted by a resident that two "horrible" posters were taped in the elevators. Kim went over to the elevators and took a picture of each of the posters. She took down the first poster. When she returned to the elevator for the second poster, it had been taken.
Corrective action taken at the time of the incident
I contacted both my regional director, John Samuels and Janice in HR. My regional told me this wasn't a concern of HR. I disagree; I believe one of my employees was threatened. I want her to have any protection available.
