Description of Incident
Office was notified by Margie Lindsay, resident of D building, via email that a tree branch had fallen in the parking lot and it looked like it might have hit a car. I went to the area, took pictures, identified the vehicle, and cleared the debris from the parking lot. I returned to the office and looked up the license plate number of the car, belonging to William Barker, D06. I called him and told him what happened, answered his questions, and sent him the pictures of the incident.
