Description of Incident
On Monday morning, our maintenance supervisor, Curtis, noticed the fence along Marshall St was damaged. Upon inspection it appeared that the fence was hit by a car in the parking lot.
Corrective action taken at the time of the incident
The fence and the area around the fence has been caution taped off. Mike J. was contacted and he instructed us to call County Line Fence for repairs. Marco will be out on Friday 3/1. After reviewing the cameras, and dark colored sedan pulled into the parking space and continued forward striking the fence. We are unable to read the license plate in the video, but we are trying to determine who may have been driving by checking vehicles in the lot for damage.
