Description of Incident
i arrived at 8243 Buist to check on the apartment because the residents were locked out on 3.7.24, although their belongings are still in the apartment. As I approached the door I noticed that the lock was broken. I immediately called my community director, Melissa Verdon, who in turn called the police. I waited outside the apartment for the police to arrive just incase someone was in the apartment. When the police arrived, I followed them in the apartment. No one was in the apartment and it didn't look like anything was disturbed.
Corrective action taken at the time of the incident
I changed the lock and secured the apartment.
