Description of Incident
AJ was walking out from behind the washer and dryer and tripped over the supply lines. He fell on the floor and hurt the back of his leg. He believes he twisted it when he fell. He thinks it might be sprained or badly bruised.
Corrective action taken at the time of the incident
AJ spoke to Josh, then contacted Linda. I emailed the workers comp paperwork to Josh for AJ to fill out. HR will also be notified. AJ put a heating pad on which he said helped a lot and does not feel a need at this time to see a doctor.
