What we have done related to Customer Service and helping the resident, if anything?
I contacted Ellen to see how she was feeling and for additional information. She went to Urgent Care on Sunday morning. As of Wednesday, she still had cramping in her lower back, nothing is fractured, just bruised, has a difficult time sitting at her desk job for work. Ellen said Bob has pictures of the stairwell and additional information. I tried to reach him on 5/17, 5/18, 5/19, via email 5/20 by phone and no response. Frank Baer reached out via email 5/20 and no response.
