Description of Incident

During the severe storms we received on Wednesday, June 3, 2020, the fence, between A building and the dentist office, blew over from high winds. Two sections of fence blew over. The fence sections had fallen onto the dentist vehicle who owns the dental business next-door.

Corrective action taken at the time of the incident

The dentist called our office today Friday, June 5, 2020 to discuss the matter. I communicated with him to contact his auto insurance. He said that he's not paying for the damage to his vehicle and he receives any pushback from Lindy that Lindy can remove the sign and flowers at the corner of Forest Avenue that are on his property.

What we have done related to Customer Service and helping the resident, if anything?

I forwarded the conversation to Lori Kolinchak via email.
