Misc.
<b>Description of Incident</b>
At approximately 3:15pm Gregg Smith received an electrical shock in his left arm while taking apart HVAC wiring in apartment A104. The shock was so intense it caused Gregg's arm to involuntarily whack him in the face. Gregg worked the entire day.
<b>Corrective action taken at the time of the incident</b>
Gregg went to his primary doctor the following day. His doctor instructed him to see the eye doctor. Gregg went to see the eye doctor the next day. He says he was given the ok to return to work from both his primary and eye doctors.
<b>What we have done related to Customer Service and helping the resident, if anything?</b>
We repaired the resident's HVAC system.
