Description of Incident
I was inspecting the building and found a homeless woman sleeping in the stairwell of 301/302. I asked her to please leave the property. She became very agitated with me and started talking to herself. She started berating me and told me that she was going to shoot me if I didn't get out of her face. I removed myself from the immediate area but still kept track of her and called the police. She made her way slowly out of the building and the cops arrived and followed her off site. They informed me that there isn't anything they can do since she left the premises. This person has been on the property before, but this is the first time she has threatened violence.
