Description of Incident
I received an email this morning, 7/3 from the resident of K22, Leyla Kharitonova, who reported the following: On Saturday, July 1 at about 8:30pm, Leyla reported that she sat on the picnic table and the wood broke when I sat down. When this happened, some pieces of wood went into her leg. She had to go to the hospital to get stitches in her leg.
Corrective action taken at the time of the incident
The picnic table was removed and put into the dumpster on Monday morning, July 3. Will review cameras to determine if there was any footage of incident.
What we have done related to Customer Service and helping the resident, if anything?
Ketty called to speak with the resident to see how she is doing and the resident said she will call me back when she has more time to speak with me.
