What we have done related to Customer Service and helping the resident, if anything?
<p>I spoke with Ms. Higgins resident of A308 she was upset and fearful, she was thankful that no one was injured but explained she did not feel safe. Ms. Higgins resides in the 3 bedroom apartment at 7400 Roosevelt and we do not have another three bedroom unit. I did let her know that we have a two bedroom den coming available as she is interested in viewing the unit for a possible transfer. I did let her know I would follow up with the police and that we would cooperate in any investigation they may conduct. I also explained that all residents are screened for a criminal background and that everyone must go through the screening process prior to being approved for residence. I also contacted Ms. Karto resident of A306, she confirmed that an incident did take place involving a firearm in her apartment home she expressed that she was sorry it took place and was thankful no one was injured. Ms. Karto expressed she could not give me any information regarding the incident other than confirming it did take place with a male individual who was in her home, she expressed the police were investigating. I spoke with Ms. Karto in reference to vacating the apartment, she expressed that she has a child with special needs and asked if we could allow her thirty days to make other housing accommodations. Ms. Karto said she could vacate by 8/5/2022. I contacted Brian Kroker to inform him the incident took place and received approval to allow Ms. Karto the 30 days to vacate. A letter is also being drafted for Brian's review to the community to inform the residents that no injuries occurred and the incident is under police investigation.</p>
