Description of Incident
A detective called John Labar at 5:30am to notify him that they had a search warrant for Apt E67, lease held by Dominique Davis. They asked for access to the apartment so they wouldn't have to break down the door. John met them and gave them a key to the apartment and left them to pursue their warrant. At about 8:30am, the detective called John back to come to the apartment, as there was damage to the door as the resident had an inside privacy lock on the door. John said that Dominique was there, but they arrested a male. It is unknown who the male is as he is not on the lease. The detective did not provide John with detailed information as to why they had the search warrant, but John overheard that it was related to drugs and money.
