Description of Incident
Copy and pasted from the residents email to me. Aisha Griffin, resident of 0113-1 I was walking to the gym . I was taking pictures and video of the outside of the gym area . During that time I tripped and and twisted my ankle on a cracked pavement. I didn't think it was that bad so continued on and I went into the gym and started my arm workout, but I wasn't able to finish because I noticed I had some ankle pain and swelling . The pain caused me to start limping . This is when I left the gym after about 10 -15 minutes .
Corrective action taken at the time of the incident
Mike Marino repaired the concrete.
