Description of Incident
At about 10am, John Mammola from Apt D22 called to report that he saw a blonde female in the C/D parking lot trying to open several car doors. John asked her what she was doing and she said she was looking for her friends car. As Earl was going to leave the office to check the parking lot, Mike Lang came into the office to say that he saw Gillian Smith of April H02 peering in car windows in the A/P parking lot, but she was walking back towards H Bldg. Alison called the police to report the issue.
Corrective action taken at the time of the incident
Alison called the police. Two officers came and patrolled the parking lot but did not see Gillian. They indicated that they would not be speaking to her as there was no definite criminal activity at this point, and that she would likely become very agitated and escalate the situation.
