Incident Type
Misc.
Description of Incident
Fire alarm went off around 345pm. On call responded and waited for fire department. Fire department assessed that a resident, possibly S509, was cooking and opened their front door to air smoke out of their apartment. That set the building alarm off. Fire department cleared the call and on call reset the alarm system.
Corrective action taken at the time of the incident
Assisted fire department
What we have done related to Customer Service and helping the resident, if anything?
Will request a memo go out to residents advising them not to open front door and use windows to vent
