Description of Incident
On 8/9 around 1:30A Tamika Hill's car was broken into. A Catalytic convertor was stolen from her vehicle. She was awakened by the police at the intercom trying to reach her. Walter Mayo, resident In D305 saw the whole thing happen. He said by the time he got downstairs the car was gone. Tamika called the answering service and let them know what happened. She sent an email to Dawn Buck this morning to report the incident. She came to the office this morning and updated me on what happened. She said there were 4 people in a green SUV. She made a police report. Lieutenant Harvey (215-630-5212) is the officer she spoke to. He advised her to get a copy of the camera footage to see if she could see a license plate. I explained we could not let the resident view the footage but we would review and contact the police. DC# 21-35-55086.
