Description of Incident
Calvin Bostic of the maintenance department was driving on the property when he noticed that a column at C Bldg had fallen and was leaning against another column. John Labar immediately went over. Mike Jacobus was on the property and went to assist. The front entrance was caution taped and the three of them were able to get the column on the ground with a rope
Corrective action taken at the time of the incident
Put column on ground. Removed column. Alison called Mike Marino to notify him that we need a quote and plan to stabilize the remaining columns. He will contact Mike Jacobus on Monday to come up with a plan
