Description of Incident
I arrived at the community at around 1:45 pm. Rob, from Monster Paving, informed me State Police were in the property and they broke into B building. I spoke with an officer and asked what happened. He said that he and his team took into custody a male who was in the apartment. I asked the officer what his name was, but the officer couldn't release any information. The office did say he worked on the drug squad.
Corrective action taken at the time of the incident
I contacted Curtis to clean the broken door glass on B bldg and to make sure the door on B3 will lock until I can order a new door. Norritown Glass and Woodland supply were both called.
What we have done related to Customer Service and helping the resident, if anything?
I called the resident, who is on the lease, but could only leave a message and haven't received a call back. The person taken into custody is not on the lease and we'll be non-renewing the resident.
