Description of Incident
Joseph McAndrews, from PNR Masonry, was working on the swing on the outside of East 1 building. While working at 8:30 a.m., he heard a splash, heard another, 3rd time got liquid dumped on him. I asked if he knew what the liquid was, he said he didn't know. I asked if there was an odor but he couldn't determine. He said it starting to burn face and eyes. The woman in the window of E815 began giving gestures, vulgar, the finger out the window at Joseph. At 11 a.m., the incident happened again. This time the resident was throwing, glitter, a plastic jar, highlighters and apples out her window onto Joseph. Stephen Cicala is following up with contractor to see why the police were not called.
Corrective action taken at the time of the incident
Mike Gray, knew what apartment it was from the outside. Mike went and knocked on the door. Mike said he could hear a woman inside say, "get away from the door, don't answer the door!" Resident is already in legal for non payment. Stephen will notify Cohen's office regarding this incident to ensure we evict.
What we have done related to Customer Service and helping the resident, if anything?
I asked Joseph if he way okay or needed any medical treatment, but he said he was fine. I communicated to him that he should report the incident to his company.
