Description of Incident
Kyle called and stated that he believed his vehicle was stolen from the lot on November 16th between the hours of 10 pm (when he put trash out) and 6:40 am when he went out to go to work. He was parked in the row along the building and in the space furthest to the right, closest to street. He has a dark blue Honda civic 4 door sedan. Kyle checked with the tow company and they had not towed his vehicle. When he called, he was waiting for police to arrive and he will call back when he has DC #.
