Description of Incident
Aditya Bhagwat communicated that after he was leaving the gym, he was bitten by a dog outside the gym. The dog did not puncture his skin and he said the dog was on a really long leash. Aditya said the owner was walking two dogs, both Poodles. The resident walking the dogs appeared to be from South tower, Aditya said.
Corrective action taken at the time of the incident
Domenech Plaza, from Resident Services, spoke with the resident on Saturday, 11/23/24, in the management office and took the residents information and incident information. Domenech then emailed me, Stephen Cicala, of the incident.
What we have done related to Customer Service and helping the resident, if anything?
I reviewed the security video from 7-8:30 p.m., on Friday, 11/22/24, and didn't see any dog bite a resident outside the gym or in the East tower lobby. We have no information on who owns the dog, so we can't address the issue with any one.
