Description of Incident
<p>This morning I received a call from Nyoka Greene resident in 0102-2 that her 3 year old daughter was taken to the hospital on 11/30 via ambulance and tested positive for Covid-19. She is a "medical child" and the last time leaving the apartment was on 11/27 through the garage. Both mother and father have been tested twice and both times negative results. They will be tested again. Mother works from home; father works for the Post Office.</p>
