Description of Incident
Lori called me at 1:16pm asking me to review the cameras. Lori stated I don't have a lot of information other than Wanda Porter emailing me to call her for an emergency. I spoke to her at 1:09PM and she indicated that her 16 year old nephew (Wanda did not want to provide her nephew's name) was visiting her Mother Mrs. Porter in Building apt #210B and left between 6:45am & 7:00am with people they don't know in a burgundy Nissan versa. She mentioned he may have been talking to them over the computer. She said they filed a police report. She asked if we could view our cameras. Our cameras do not capture the street or parking area (they are mostly interior). I followed up with an email to let her know we didn't capture anything and asked her to keep us posted.
