Probable Cause

On August 19, 2020 at approximately 0400 hours officers from the Cheltenham Township Police Department were summoned to Jeans Hospital for a report of a woman who had been the victim of a rape. The victim, whose identity is known to police, but will be referred to as K.E., stated to Officer Stocklos #1038 that she had been raped inside her apartment located at 8460 Limekiln Pike. This address is located within the boundaries of Cheltenham Township. The victim was transferred to Abington Memorial Hospital and treated by a SANE Nurse.

Your affiant interviewed K.E. at the Cheltenham Township Police Department. The victim told me that she was alone in her apartment when, sometime between 2330 hours on August 18, 2020 and 0000 hours on August 19, 2020, a male she believed was maintenance for the Towers at Wyncote knocked on her door requesting to enter so he could check for a water leak. According to the victim, this is the fourth time since May of this year that this male entered her apartment after 10PM to check for an alleged water leak; a leak has never been found. Prior to this male's arrival the victim stated that she had two drinks between 2030 and him knocking on the door. When the male entered he checked for a leak and when he didn't find one he asked K.E. if he could have a drink. K.E. went on to say that, because she had dealt with this male a few times in the past few months, she agreed to have a drink with him. During their conversation the suspect told her that he was the father of her neighbor's baby and that he has heard K.E. having sex with her boyfriend, and it turns him on. It was later determined that the neighboring apartment that the suspect was referring to is #1015.

K.E. went on to tell me that the male suspect then began pulling off her clothes and forcing himself onto her as she told him "no" several times and tried to push him off. The male suspect then got on top of her, held her down and forced his penis into her vagina as she continued to say "no" and attempt to push him off, but was unsuccessful.

Based on my experiences with the Towers at Wyncote Apartment Complex all visitors have to sign the electronic visitor log and inform the concierge of what apartment they are going to. This information, along with the tenant information for apartment #1015 can be accessed by the Leasing/Management Office.

Based on this Affidavit of Probable Cause I respectfully request that a search warrant be granted for the information detailed on the Application for Search Warrant and Authorization Page that is included with this document.

I, THE AFFIANT, BEING DULY SWORN ACCORDING TO LAW, DEPOSE AND SAY THAT THE FACTS SET FORTH IN THE AFFIDAVIT ARE TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE, INFORMATION, AND BELIEF.
