## India declines UN's assistance offer of integrated supply chain for COVID-19 material

India has declined assistance offered by UN of its integrated supply chain for COVID-19-related material, saying it has a "robust system" to deal with required logistics, UN Secretary General António Guterres' spokesperson said. "But our offer stands," Farhan Haq stated. Asked whether shipments of essential materials are expected to reach India, Haq said, "None have been sought so far."
