I am an Investment Manager

INVESTMENT EDUCATION – Goal of the 5 hour lesson is to teach the investor of the basic need of investing, managing risk, adopting a plan in line with the investors goal and researching a company effectively, I will also personally help the investor to set up an investment account and initially fund it with \$35.00 !! – Cost 500.00- Group Student plans available.

Stock Research Services – FinPoint Research will effectively research the companies of your choice and give you a report after each quarter upto a year. Finpoint Research is committed to ensure that your research stays relevant upto a year.

One report – \$35

Reports each qtr(4 reports-12 months) – \$100

Portfolio Analysis – Overall analysis of the equity holdings in your portfolio and

I am an Individual Investor

Stock Research Services – 3rd party independent Research will effectively provide unbiased research which should better help you in Marketing and Decision making of the selection in your portfolio. Bring some technical finance research into your portfolio to significantly increase the returns of your portfolio, Finpoint Research is committed to ensure that your research stays relevant upto a year, if needed

One report – \$35

Reports each qtr(4 reports-12 months) – \$100

Portfolio Analysis – Overall analysis of the equity holdings in your portfolio and identifying Strengths, Weaknesses and Threats to your portfolio. Why is your portfolio Under performing? Or over performing?
