**There comes a time in your life,  
when you walk away from all the  
drama and the people who create it.  
You surround yourself with  
people who make you laugh.  
Forget the bad, and focus on the  
good. Love the people who treat  
you right, pray for the ones who  
don't. Life is too short to be  
anything but happy.**  
**Falling down is a part of life.  
Getting back up is living.**

A black and white photograph of a person walking away on a mountain trail towards a large snow-capped peak. The person is a small figure in the distance, walking along a light-colored path that winds through a dark, rocky, and sparsely vegetated landscape. In the background, a massive, jagged mountain peak is covered in snow and partially shrouded in mist or low clouds. The sky is a uniform, light gray. The overall mood is one of solitude and determination.
