**There comes a time in your life,
when you walk away from all the
drama and the people who create it.
You surround yourself with
people who make you laugh.
Forget the bad, and focus on the
good. Love the people who treat
you right, pray for the ones who
don't. Life is too short to be
anything but happy.**
**Falling down is a part of life.
Getting back up is living.**

"A mistake
is something
that you did
thinking it was right
but it was wrong.

A sin
is something
that you know
is wrong."

The background of the image is a photograph of a city skyline at dusk or dawn. The sky is a mix of light blue and orange, with some clouds. The city below is filled with numerous skyscrapers and buildings, many of which have their lights on, creating a bokeh effect of light points. The overall tone is contemplative and serene.
