A photograph of a city skyline at dusk or dawn, with many skyscrapers and buildings illuminated. The sky is a mix of blue and orange. The text is overlaid on the image.

"A mistake
is something
that you did
thinking it was right
but it was wrong.

—A sin
is something
that you know
is wrong."

"Hate no one, no matter how much they have wronged you. Live humbly, no matter how wealthy you become. Think positively, no matter how hard life is. Give much, even if you have been given little. Keep in touch with the ones who have forgotten you, and forgive who has wronged you, and do not stop praying for the best for those you love."

Ali Ibn Abi Talib (A)
