RE: The Condition of Your Apartment

We have received a report from the extermination tech regarding the condition of your apartment.

Last Friday, 10/6/23, the extermination techs were in your apartment to perform and extermination inspection. The techs found that your apartment is not clean and may be contributing to possible rodent activity in the tower.

Uncleanliness is a direct violation of your Lease Contract, "Limitations on Conduct." We are requesting that you dispose of any trash from your apartment immediately. Please know we may revisit your unit to follow up this matter within 7-10 days..

If you have any questions please feel free to contact the Management Office at 610-265-5250. Thank you for your cooperation.

Yours,

Stephen Cicala
