RE: **Dog is Barking**

We have received a report from a resident that a dog in your unit has been barking excessively. The office does not have a dog registered on your lease. Per your Lease Contract, "Animal Addendum," we are requesting that you take the necessary steps to stop the constant barking. We are a pet friendly community with some restrictions. Please contact the office as soon as possible and we will provide you with the information we will need from you. Veterinarian records, picture of your dog(s), Animal Addendum, pet deposit and pet fees.

If you have any questions, please feel free to contact the Management Office at 215-885-1300. Thank you for your cooperation.

Yours,

Linda Barder
