RE: **Excessive Noise**

We have received a report from a witness of On 8/12/23, Saturday night, they had a party and the music was extremely loud and so much noise. They kept slamming the door, making lots of noise in hall. I actually had to call down to the desk after midnight to ask them could the tell them to turn music down and quiet it down. Also someone from the party got sick and vomited by elevator. coming from your apartment.
