RE: **Dog is Barking**

We have received a report from a resident that your dog has been barking excessively. Your illegal dog has been going onto the balconies of your neighbors and going to the bathroom on their balconies and barking at them. This is unacceptable. Please keep you pet on your own balcony. Also the pet needs to be registered and fees will be charged. Per your Lease Contract, "Animal Addendum," we are requesting that you take the necessary steps to stop the constant barking.

If you have any questions, please feel free to contact the Management Office at 215-885-1300. Thank you for your cooperation.

Yours,

Joyce Zamorski
