RE: Infestation Warning

It has come to our attention that your apartment has been maintained in an unkempt fashion that has resulted in infestation problems.

Please be advised that it is your responsibility to ensure that the apartment is maintained clean and free of infestation. Currently the condition is in violation of your Lease, "Limitations on Conduct." You have been told before and now it's leading to a roach issue. If your apartment is not maintained you could be fined.

If you have any questions please feel free to contact the Management Office at 215-885-1300. Your cooperation is appreciated.

Yours,

Linda Barder
