RE: Please Keep Common Areas Clear

Dear Residents,

We've noticed personal belongings left in our common areas. To maintain safety, cleanliness, and fairness for all, we kindly request that you avoid leaving items there. If you have temporary needs, please promptly remove your belongings in the Hallway. Your cooperation helps us create a better community. For questions or concerns, contact our management team.

Thank you for your understanding.

Yours,

Anabel Guzman

Community Director, York House (South)
