### **RE: Work Order Follow Up**

This letter is to follow up for the maintenance request that you have placed. Maintenance was in your unit on **December 8, 2019** and has completed the work with our plumbing contractor.

This is a reminder not to pour any grease down your kitchen sink drain or block up your sink with food as this may cause a blockage in your drain lines.

Thank you and please contact the leasing office if you have any questions. Happy New Year!  
Yours,

**Stephen Cicala**
