Re: Access to Your Apartment for Chimney Cleaning

This is to inform you that our Test22 will be stopping by Monday, May 22 between **7:00 am** and **4:00 pm** to inspect and clean your chimney. Appointments for this inspection cannot be accepted. A Lindy employee will be accompanying them. You do not need to be present for the inspection, however we need to ensure that we have access to your apartment.

Yours,

Nausher K
