RE: **Dog is Barking**

We have received a report from Maintenance that your dog has been barking excessively. It also came to our attention that you have two dogs living in your apartment. You only have one listed on your lease. Per your Lease Contract, "Animal Addendum," we are requesting that you take the necessary steps to stop the constant barking. You are also responsible for adding your other dog to your lease. There will be a \$250.00 pet deposit and another monthly fee of \$35.00.

If you have any questions, please feel free to contact the Management Office at 215-885-1300. Thank you for your cooperation.

Yours,

**Linda Barder**
