### **RE: Work Order Follow Up**

This letter is to follow up for the maintenance request that you have placed. Maintenance was in your unit on **Sunday, November 3, 2019** and has completed the work.

Our maintenance tech and the plumbing contractor found many baby wipes in the sewer lines that were causing the blockage. Please make sure you are using disposable baby wipes that are allowed to be thrown down the toilet. If not, please stop disposing of non-disposable baby wipes in the toilet.

Please contact the leasing office if you have any questions.

Yours,

**Stephen Cicala**
