We have received a report from a resident of noise disturbances coming from your apartment. Specifically the noises are of banging on walls, screaming, dragging furniture. In the early morning hours, this morning January 11th at 1:45 a.m., noises could be heard of banging on walls and games being played at a high volume.

You may not even realize that you're causing any noise disturbances in your apartment. However, we ask that you're as courteous as possible and try not to disrupt your neighbors. We appreciate your cooperation regarding this matter.
